## 4.1.2 Availability of adequate infrastructure and physical facilities cultural activities, Gymnasium, yoga Centre, etc. in the institution

The term “college infrastructure” refers to things like buildings, playgrounds, libraries, laboratories, and other facilities. Infrastructure contributes to a positive learning environment for the students. The classrooms, playgrounds, libraries, toilets, drinking water facility; Science Lab etc. are the most important aspect of college infrastructure. We have adequate infrastructural facilities and amenities in the campus. The institute is spread over 5.44 acres of land with built up area of 25738 sq ft.

There is an open stage to facilitate and encourage cultural activities. There are sufficient numbers of computers in lab. Various Sports Activities are organized in the big playground with 400 meter running track. From District Sports office of Amravati (Government of Maharashtra) we have received Gym equipment’s worth of Rs. 700000 and it is available for the students and teachers at free of cost in college hours.
