4.2. Library as a Learning Resource

4.2.1 Library is automation using Integrated Library Management System (ILMS)

The central library of the College was established in 2007, since then library has made consistent progress in terms of collection of books, periodicals, e-resources and services. The college library has furnished room of 1110.00 sq. ft area.

The Library provides e-learning environment to interested readers. They are used in actual teaching. The library is automated using ILMS software named 'E-GRANTHALAYA' with full version of 3.0 with all modules like acquisition, circulation, books issue and return process etc. Separate webpage is created on the college website in word press format to update the happenings and new arrivals of the library regularly. The separate library user number is issued to all the students and faculty members for issuing text books, reference books and journals. Separate computer is provided to the library users for searching the books on Online Public Access Catalogue (OPAC) in the library. OPAC is also available on library website. User can access OPAC on his own desktop/smart phone.

The separate library portal is created on the website for the students, it contents digital repository of syllabus, previous year question paper set, e-thesis, online open access resources, competitive exam resources, online newspaper clippings etc. The library is having active membership of SGBAU Library Consortia it gives access of INFLIBNET N-LIST consortia, Science-Direct, ELESVER, and provides 7000+ e-journals and 7000+ e-books of various subjects. This is user ID and Password based facility for all faculty members with students.

The college has very enriched in terms of availability of reference books and text books. The library has total 2710 text and reference books for undergraduate courses, 14 Journals, and 5 newspapers. We are continuously adding books, journals/periodicals of rupees 1 lakh approximately every year. Following are the details of purchased year wise:

We provide open access facilities which helps easy access and use of the library as a learning knowledge center which have automated. Since the college is in the afternoon session the reading rooms and library are available for the students after 10:00 am. Approximately, 10 percent of students and staff members visit the library for various purposes like issuing and return of books, reading books and daily NEWS papers and searching through e-resources about recent advancement in the field for research and academic purpose.
