Report :

The **Department of Mathematics** of Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh. has been continuously working on the cognitive development of the students. One of the goals of the department is to develop the ability of students to read and write the mathematics properly. As many times one comes across the books of mathematics, it has its own language of representing the terms in symbolic manner which are universal and accepted everywhere. So, to acquire the ability to read and write mathematics in proper manner, we have organized a one-day workshop on "**Mathematics Reading and Writing**" on dated 25/08/2022.

Also, **Mathematics Society** aims to develop skills in the students like communication skill, stage appearance, body language, organization of events related to mathematics and overall development of the students. In accordance with that we are running a program "**For the Students By the Students**". This program comes under the participative learning of Teaching-Learning Processes. In this program the students of mathematics society and final year students organizes the program on their own. It is glad to see that the students have organized the program very well and also students of final year have delivered two lectures of the workshop. There were 30 students of the first year along with 19 students of higher classes get benefited by this workshop. Department is thankful to the principal Dr. Alka Bhise who has given us the permission to conduct the workshop. Also, thankful for her presence and guidance given to students regarding the workshop.

For the Chemistry student, Periodic Table plays an important role in the understanding of the chemistry topics. Most of the students are afraid towards the periodic table which would ultimately affect their interest in the subject. To aware the students about the role of Periodic Table in chemistry and get it familiar with the students, department of Chemistry had organized "Periodic Table Drawing Competition" for all the classes of B.Sc. with subject chemistry on 19th September 2022 during regular theory time table followed by "Periodic Table Exhibition" on 20th September 2022. This competition was conducted for B.Sc. Part I, Part II and Part III students during the regular theory time table of the college. Students had drawn the Periodic table within the 48 minutes of time on white paper sheet. Total 56 students had successfully participated in the competition.

On 20th September 2022, department of chemistry had organized "Periodic Table Exhibition" of participated posters received in the competition in the chemistry laboratory from 11AM onwards. The formal inauguration of the exhibition was done by the hands of Dr. Anant S. Wadatkar, Head, department

After the formal inaugural ceremony, Dr. Anant S. Wadatkar judged all the poster received in the competition and finalized the top three winners of the competition. After judging, the exhibition was made open to every student of the college. The students from the various classes of B.Sc. had visited the exhibition and shown great interest in the exhibition. Meanwhile the exhibition was also visited by IQAC coordinator of the college and congratulated the participants of the competition and appreciated the efforts

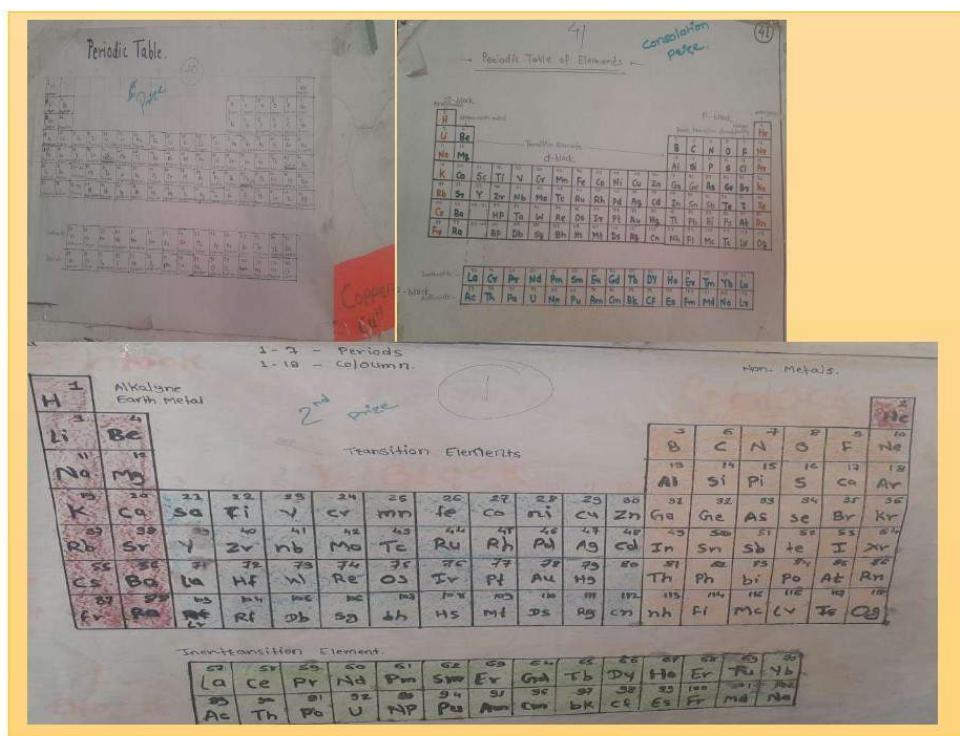

of department of chemistry for arranging such a student's centric activity.

"Glimpse of Periodic Table Exhibition"

Mr. Nikhil Praghane from B.Sc. Part III secured first position followed by Ms. Vaishnavi Ghawat from B.Sc. Part II secured second position and Ms. Prajakta Inzalkar from B.Sc. Part III secured third position in the competition. Recommended by the judge of the competition followed by the

consolation prize of the competition. All the winners will be awarded cash prizes and certificates in the incoming chemical society inauguration of the chemistry in the month of **October 2022**. Every participant will be awarded with certificate of participation.

Dr. Kavita P. Kakade, Assistant Professor, department of Chemistry was the coordinator of this competition where she executed the task successfully. **Mr. Nilesh S. Padole and Dr. Vinod M. Sherekar**

took efforts for the successful conduction of the competition and exhibition. **Dr. Alka A. Bhise**, Principal of the college appreciated the department of chemistry for such a nice activity.

A workshop on "Mathematical Typing and Power Point Presentation in Microsoft Office" was organized on 25th April 2023 by the Department of Mathematics, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. Mathematics is a subject covered only with formulas, figures, theorems. Presentation is important along with knowledge. In today's era, every subject needs to be connected with technology. It is always the aim of the college that the students always work smart. Also, according to the university curriculum, the students of Bachelor of Science Part 2 and 3 need mathematical typing for seminars and projects. Also, for various competitions conducted by other colleges, they must have knowledge of mathematical typing and power point presentation. Accordingly, this workshop was organized at Bright Computers, Nandgaon, Khandeshwar, in order to provide proper guidance to students in rural areas on the subject of mathematical typing. In this workshop, the students were given information about all the signs, symbols and equations required for the Bachelor of Science in Mathematics class. After that they were given knowledge of typing and practiced. Also, the importance of various aspects needed to make your presentation well was explained through power point presentation and practice was done in this regard. At the end of the course a mock test was conducted for the students in which all the students tried their best to type the equations correctly and all the students passed the mock test.

Students in their feedback mentioned that the workshop gave them the satisfaction of learning something new. This workshop was guided by Mr. Vrushabh Madavi, Ms. Vaishnavi Parasankar, Alumni of Department of Mathematics. Also workshop was directed by Dr. Preeti Deshmukh and Dr. Abhijit Bansod of the Department of Mathematics in the college. A total of 50 students participated in this workshop. The certificates were distributed by the hands of IQAC Coordinator Dr. Suchita Khodke and Mr. Shailesh Ikhari, Director, Bright Computer, Nandgaon Kh. Dr. Alka Bhise Principal and Dr. Suchita Khodke IQAC Coordinator wished for the success of this workshop.

Report of the Spot Visit at Khandeshwar Temple

As per the guidelines of Sant Gadge Baba Amravati University Amravati's New Syllabus is prescribed for B.Sc.-1 to implement a 'Choice Based Credit System'. There is Unit - V Skill Enhancement Module in which SGBAU, Amravati has asked to make a Spot Visit activity so that students can write a report on the spot they visited during this activity.

The Department of English visited Shri Kshetra Khandeshwar Sansthan Nandgaon Khandeshwar, on **Tuesday 17/01/2023 at noon**. All the students of B.Sc.-1 were present at the college at the given time. The queue of two students along with in charge, Prof. Rajiv Tayde marched towards the temple. After reaching the temple the committee members welcomed the students and teacher. The students were asked to sit in the auditorium of the temple where the member narrated the history of the temple in their own words. After the speech, those members guide the students in the temple premises and inside the temple. While showing each spot they were telling the myth behind those spots. After the tour, students returned to college.

A workshop on "Mathematical Typing and Power Point Presentation in Microsoft Office" was organized on 25th April 2023 by the Department of Mathematics, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. Mathematics is a subject covered only with formulas, figures, theorems. Presentation is important along with knowledge. In today's era, every subject needs to be connected with technology. It is always the aim of the college that the students always work smart. Also, according to the university curriculum, the students of Bachelor of Science Part 2 and 3 need mathematical typing for seminars and projects. Also, for various competitions conducted by other colleges, they must have knowledge of mathematical typing and power point presentation. Accordingly, this workshop was organized at Bright Computers, Nandgaon, Khandeshwar, in order to provide proper guidance to students in rural areas on the subject of mathematical typing. In this workshop, the students were given information about all the signs, symbols and equations required for the Bachelor of Science in Mathematics class. After that they were given knowledge of typing and practiced. Also, the importance of various aspects needed to make your presentation well was explained through power point presentation and practice was done in this regard. At the end of the course a mock test was conducted for the students in which all the students tried their best to type the equations correctly and all the students passed the mock test.

Students in their feedback mentioned that the workshop gave them the satisfaction of learning something new. This workshop was guided by Mr. Vrushabh Madavi, Ms. Vaishnavi Parasankar, Alumni of Department of Mathematics. Also workshop was directed by Dr. Preeti Deshmukh and Dr. Abhijit Bansod of the Department of Mathematics in the college. A total of 50 students participated in this workshop. The certificates were distributed by the hands of IQAC Coordinator Dr. Suchita Khodke and Mr. Shailesh Ikhari, Director, Bright Computer, Nandgaon Kh. Dr. Alka Bhise Principal and Dr. Suchita Khodke IQAC Coordinator wished for the success of this workshop.
